CORRECTION TO NON-RESPONSIVE AMENDMENT

SIR:

Responsive to Examiner's Communication mailed November 19, 2007, Applicants respectfully request entry of the following amendments and reconsideration in view of the following remarks. Applicants' August 27, 2007 Amendment was considered non-responsive. Because that Amendment was a *bona fide* attempt to provide a complete reply to the final Office Action dated December 27, 2006, Applicants request time to submit a complete reply. *See* MPEP § 821.03. The instant amendments should place the application in condition for allowance.

Further, pursuant to 37 CFR 1.136(a), the shortened statutory period for reply may be extended. Applicants respectfully petition for a one month extension of time. The Commissioner is hereby authorized to charge the fee for a one-month extension of time to Deposit Account No. 11-0600, as well as any other fees that may be necessary for consideration of this communication.

Amendments to the Claims begin on p. 2.

Applicants' Remarks begin on p. 4.
